This note must be retained on all duplicate copies that you may make.

Children of Earth, you have been plagued for many years with confusion, distress, and despair. You have often wondered why God allowed you to be so repetitiously injured and abused by the world in which you had to live. You must naturally wonder, “Why would God Almighty choose to create an Earth that ‘evolves’ through countless generations of death and destruction. . . a world where ‘only the strongest’ will survive?” Why indeed?

In this tract, we seek to explain for you some basic ideas in the important matter of Science-Truth, and we will seek to explain these in a way that you may perhaps understand. It is of the utmost importance that you conduct your life with a world-view that comprehends Reality, rather than one that forces you to live all of your days on Earth in a fantasy land of your own imagination.

In order to make the complexity of your life-experiences more comprehensible to you, God’s Holy Spirit must here reveal to you somewhat thoroughly the sin of Pride, more properly called Arrogance, a failing that is quite common among humankind. It is a sin which works together with the works of the prideful Satan to bring about the world’s ceaseless catastrophes, and that appalling chaos which currently befalls the people of Earth.

We must reveal to you also the existence of Humanism and False Science, which deceives most of our world.

Through this tract series, we wish to show you the difference between Science-Fiction and Science-Truth, so eventually you should start to understand the Endless Evolution Error and what we might call the Inevitable Progress of the Superman Delusion, as well as the Inevitable Progress Error which has dominated so much of the thinking of our world’s population.

After these lessons are completed, we believe you will better understand the immense danger which is inherent in the many Faustian books which are commonly sold on our Earth, and we hope you will henceforth focus on better reading material.

A large portion of the human race currently subscribes to an anti-God religion that we can correctly call Humanism and Evolutionism. These persons believe that they are climbing endlessly upward through a mystical process of “evolution.”

Yet God Almighty will someday put a stop to humanity’s own egotistical “ascent” just like He once stopped the building of the Tower of Babel. The people of that ancient culture were determined to build a giant tower, roughly equivalent to one of your modern skyscrapers.

The ancient men of Babel were determined that they would build their awesome skyscraper, and on its very top they planned to situate three critical items: an Astrology Temple, an Astronomical Observatory, and the Power Elite of their nation.

The rulers, the nobility, and the religious elite were planning to ascend that tower, and at its top they were going to bask in a sense of their own godlike glory. If God had permitted them to continue with that project, their arrogance and wickedness would have been greatly magnified and would be carried far beyond the limits of God's toleration.

God Almighty will someday put a stop to humanity's own egotistical "ascent" just like He once stopped the building of the Tower of Babel. He will do this because our "evolutionary ascent" is not really an ascent at all. It is really a *descent* of humankind, as our world continues to degenerate and to deteriorate. There is a process of degeneration underway in our world, and that is far more real than any fantasy of "upward evolution."

God Almighty once chose to stop humanity from its continuous building upon its early collective effort, the Tower of Babel, knowing that otherwise human egotism and arrogance would continue undaunted. Unbridled sin among humanity, if not restrained by God, could easily create worldwide madness and chaos on Earth... for humanity in its egotism refuses to recognize any of the boundaries and limitations that God has placed upon us!

God often sends us reversals to serve as a Reality Reminder, or as "a Reality Check," hoping that these will bring our arrogance down a notch or two.

You live in a world where New Age cults proliferate, most of them based on theories of evolution and humanism, and many humans have chosen the leaders of these cults as their favored prophets.

You may remember hearing about the mass suicide of the 39 members of the Heaven's Gate Cult in California, which happened in 1997. Those people had become utterly brainwashed with a bizarre religious madness, one that destroyed their lives as well as their minds.

Demonic teachings had the Heaven's Gate Cult first waiting to be air-lifted out of our world's suffering by the alien creatures that they thought would come for them in UFO's. Some of the followers had castrated themselves because they didn't want to have any strong attachments to sex, to the world, or to the "vehicles" which were their own bodies.

When they killed themselves in a mass suicide, they felt that they were merely "freeing" their spirits from the distress and unpleasantness of Earth so that they could ascend to a higher plane of existence.

Unbelievable as it may seem, the leader of the Heaven's Gate Cult was the son of a Presbyterian minister. He had spent many years as a Church Music Director, and was also involved in repetitious homosexual activities during that earlier time, before he ever began to propagate his bizarre teachings as the founder of the Heaven's Gate Cult. Later he castrated himself, and ultimately he committed suicide.

You will of course wonder how much of his bizarre thinking was a result of his persistent homosexual activities, and whether it was a sense of guilt that led him to castrate himself.

At this point, we should remember God's verse of Holy Scripture, in which it is written, "Those who would not accept God and the truth of God, He let be given over to depraved minds, that they might do with their bodies as they ought not, and the result of their sin was seen in their own bodies."

You should likewise wonder how much of that leader's teaching was demon-inspired. And you are right to wonder about that!

But you would be wise to wonder also how many of your own intermittent depressions, which you experienced at various points in your own lifetime, were similarly demon-inspired... and to wonder whether you too were listening to the voice of demons when you so often succumbed to despair. It is while in the midst of demon-oppression that a human being frequently loses all sense of hope.

There were indeed the voices of demons involved, speaking to these pitiful humans who were in the Heaven's Gate Cult— and speaking to all similar cults who feel led to perform a mass suicide! It was much the same with the Jim Jones religious cult. It is the Voice of the Demons which they are all hearing, and when they perform their mass suicide, it is the Army of Darkness which wins that battle.

The forces of darkness are thus victorious in that particular skirmish. But the wretched war goes on, appallingly, while the Armies of Light watch, and fight, and do what they can. God's angels observed the Heaven's Gate tragedy and surely wept over that loss, as God Almighty Himself must have done so.

It is God's Enemy who wants people to die while they are still deceived, so that they might never come to a knowledge of the truth. God is the God of Science, and a genuine understanding of Science Truth is essential for all human beings who live upon the Earth. Science Falsehood leads to insanity such as that of the Heaven's Gate Cult.

You may protest, however, that it is God Himself who is responsible for much of the difficulty in your life. You don't know it, but God uses the trouble you go through to educate you, and it can actually turn out to be utilized (ultimately) for a good end. By putting you through some humiliation and devastation, God Almighty may have arranged matters in such a way that you may be spared the hellish destiny of the Cosmic Magician and the unbeliever. If you pray for rescue from the evils of this world and ask God for deliverance through His Son Jesus Christ, God can bring you salvation for your soul. He can then also begin to rescue you from the sin of pride. . . although that is probably not quite the kind of rescue that you had in mind when you first asked Him for deliverance!

So today, with the help of God's Holy Spirit, you may begin to understand somewhat better the history of the Earth, the route of its progress, and even its direction... the ultimate goal of Life and the ultimate fate of the Earth. This is the second of a series of tracts which contain lessons dealing with the battle that rages between the followers of Science-Truth and those who are Science-Fiction Dreamers. The Science-Fiction Dreamers are a group of crazed warriors who are hoping to rapidly capture the entire Earth in their net of deception.

But God's Holy Spirit can reveal to you the nature of the Great Science Fiction Hoax, because our God is the God of Science and Truth. He is the God of Science-Truth.

Yet in our world there is much that is false science, and it is from such false science that the many false religions arise.

In subsequent tracts, we will consider also some other interesting subjects, like the Superman Delusion and the Science-Truth Solution.

In the course of reading through this lengthy series of tracts, you may feel God's Holy Spirit moving upon you, seeking to bring you enlightenment and a recognition of Science-Truth. You may be in for some surprises. You will doubtless be surprised at the end of the series by the variety and depth of the topics which you have covered.

In a separate series of tracts, we have already considered the matter of affliction, and why there is such vast suffering upon the Earth. It is true that God is the God of our afflictions also. God Almighty is the God of Affliction and the God of Deliverance. God Almighty is the God of Science, and He is also the Teacher of Absolute Truth. He alone is the Teacher of Science-Truth.

In this current series of tracts, we expect that you will soon start to recognize the absurdity of the Great Science-Fiction Hoax which has been perpetrated upon humankind. Delusions are common in our modern-day world, and more info about this one is coming (in great detail) within the subsequent tract booklets. We expect that you will soon start to understand also what we call the Science-Truth Solution...

Because God Almighty is the God of Science, and our Lord God is the God of Light.

In these tracts, your eyes will be opened that you may see. You will begin to behold the limitless glory of the God of Light... Who sent His Son Jesus to Earth so that He might be the Light of the World. Just be sure you don't close your eyes again as soon as you finish reading this material.

Don't be willfully blind, even though there are so many other persons in this world who are rejecting the Light of Christ . . . preferring the Lord of Darkness instead of the Lord of Light. The great mass of humanity in this world loves Darkness rather than Light.

Jesus Christ is the Truth. He is the Light of the World, the Word of God, and the soon-coming King of the Earth... before Whom every knee must ultimately bow, recognizing His sovereignty over All.

You may wonder, "What makes Jesus so special? What makes Him deserving of such authority and power? Is He really destined to reign as a King over all the Earth?"

Why should you give Him your respect and devotion... your total allegiance and your unending loyalty? You may be asking yourself such questions as these.

Before you continue onward to the next booklet in this series, we wish to explain for you the basic Truth of Reality... the Absolute Truth of God Almighty. We need to tell you that Jesus Christ is the Truth and the Light of the World— that's why He is called the Word of God.

He's been around since the Beginning of this Universe, first as God The Son, a Divine Person in the Triune Nature of God... and later as the Son of God, a Divine Person Who was actually incarnated in the human body that belonged to Jesus.

Christ is the same Savior that He has always been. He is just the same Today as He was Yesterday, just the same as He will be Tomorrow. He is the Lord of Creation and the Lord of Eternity. All things in our Universe were created by Him, through Him, and for Him.

He's still around today, but now He exists in the glorified form of His Resurrection Body... and in the Kingdom of God He sits enthroned at the right side of His Father, exalted by the saints and the angels of Heaven. He will be coming back to Earth soon to acquire a throne on Earth as well.

*

A brilliant light-source should be at the center of your thought-system. . . for an orderly direction of all the elements of your worldview. . .

Did our Universe come from a "Big Bang" and the explosion of a "Cosmic Egg," as some believe?

You can be certain of this: A far more impressive explosion of Light can come forth from Jesus Christ, because He is God The Son, that Lord Who created our Universe!

The "Cosmic Egg" idea is actually an ancient creation myth which was made a bit more respectable to scientists with an addition of the evolution slant. But we can know for sure that **the Universe came forth from the Triune God Who is Creator of All Things!** We can know this fact with great certainty.

You've heard the evolutionary explanation of Universal development for a great many years, with all of its elaborate details... ever since you were a child. You've surely encountered its advocates in every arena of the academic world and in every arena of everyday life. Its proponents are everywhere, and they have already proselytized much of the Earth. You are doubtless thoroughly accustomed to that way of thinking.

But what is the Biblical scheme of Earth's history and direction...? It's the alternative explanation that God has given us in His Holy Scriptures. In it He has revealed for us His long-range plans concerning humanity and Earth. He has told us all about our future destination and the fate of the Universe!

Here are 12 stages of intellectual development that can lead you to an understanding of the destiny of the Earth. You will surely find these concepts an aid to your own comprehension of the Universe, its goal, and your ultimate fate within that environment. These steps could even lead you to a surprising transformation. You might even find yourself "evolving" into a new creature, like nothing you've ever been before...

1. You can accomplish an **ORDERING AND ORGANIZATION** of your thoughts that will transform your mind and even transform the often-confusing Universe that surrounds you! It's a logical process that will convert you from an unbelieving state to the status of a believer. It will convince you that God is logical and righteous in all His ways. But first you have to get a little touch of wisdom from the Holy Spirit of God. Then you will start to comprehend God's long-range plan for His Universe and His developmental program for the Earth.

2. You can get that little touch of the Holy Spirit only when you come to God through His Son Jesus Christ. Jesus will make known to you secrets of the Universe that were not revealed from the Creation until the time when He walked on the Earth. The Bible teaches us that Jesus opened his mouth in parables and uttered things hidden since the Creation of the Universe.

One must seek truth and cosmic **wisdom** through the only door that God has provided for reaching a knowledge of the absolute truths of this Universe. Jesus Christ is the **only gateway** to enlightenment.

Only through Jesus Christ may we attain **real knowledge** and a **Godlike overview** of the design and purpose of our Universe. **Jesus is the only "door" that God has ever provided for us**— one can find **truth** and **knowledge** and **deliverance** in Jesus Christ.

3. Before His embodiment as Jesus, the Christ was already God The Son, unified in a Trinity with God the Father and God the Holy Spirit. God The Son was later incarnated in a human form as Jesus, the Son of God. God The Son spoke to the human race in the words of Jesus, and in so doing, He gave us a gift of greater knowledge about our Universe.

Jesus is eternally God The Son and the Sun of Heaven. As such, He is then the Creator of our Universe and the guardian of true knowledge. In this present world we find death and destruction, but

in Jesus Christ we can find a **doorway to life**. Jesus really is the only way of escape from the confusion and evil of our Universe. He is **the door to truth**, and He is also a **doorway to eternal life** for a massive population on Earth that is greatly in need of rescue.

4. By adopting a **Godly perspective**, you can achieve a logical solar system for all the interactive elements of your life and world-view. If this Universe seems disorganized, cruel, and chaotic to you, it's time you exchanged your own **microcosm** (your personal world-view) for the **macrocosm** of God. To view the Universe correctly, you must first see the Light of God and put Him at the center of everything. That action will please God immensely, because He doesn't want you to make anything else more important than your desire to follow and know Him.

You must realize also that, as Jesus said, "No one knows the Father except the Son of God and those people to whom the Son has revealed Him." Only Jesus and His Holy Spirit can help you to see the Light! He can do that for you, opening your blind eyes and showing you the wonders of His Creation. Then you will finally start to share with Him God's own perspective on the Universe! You will begin to understand His plan for the Universe. And together with the **intellectual salvation** that God's perspective on the Universe will offer you, you will also get **relief** from much of the hellish loneliness and bitterness that often results from a wrong-thinking and wrong-acting life.

5. Jesus Christ is the Sun of Heaven, and you need to put the Sun of Heaven inside your heart! Once He is there, He will illuminate your mind and all areas of the Universe with the bright Light of His Presence. His Light will be radiant in your face, in your life, and your actions. Just as Moses' face was radiant after he was in the presence of God, the follower of Jesus reflects the brilliant Light of the Lord Christ! His Holy Spirit will be inside you forevermore, making you aware of His Lordship and His Truth... giving you eternal access to His Divine Wisdom.

One must seek **truth** and cosmic **wisdom** through the only door that God has provided for reaching a knowledge of the absolute truths of this Universe.

Jesus Christ is the **only gateway** to enlightenment. **You should enter, for the sake of Truth.**

6. To be among the rescued, a person must become a believer of God and believe all God's words (His open communication to the human race) as revealed through Holy Scriptures and through God's only true Son, Jesus Christ.

God will show us mercy and forgiveness of our sins **only** when we come to Him through the sacrificial death of His one true Son, Jesus. God has made provision for grace (leniency and forgiveness), but He offers it to us **only** via the substituted sacrifice of the Savior, Jesus Christ.

7. **Jesus has willingly agreed, already, to receive all your preordained punishment**, in order that you may be spared from the Judgment fate—a destination in Hell. *That punishment is what a person's sinfulness will otherwise deserve.* . . . and it will be found inescapable. . . at the great Judgment Day of God, when God will ultimately evaluate and judge the deeds of all souls.

8. Any soul can be spared on the basis of God's own painful sacrifice, by a belief in the salvation God offers through His chosen Messiah, His only-begotten Son Jesus Christ.

Those souls that are spared will be the ones that have opened the door of the heart and have allowed Jesus Christ to come inside. Through His Holy Spirit, He can take up residence inside you as the New Center of the Universe. . . as a brilliant light at the center of the spiritual "solar system." After that, everything in the Universe will revolve around God in an orderly and logical fashion. The progress of the Universe, and of God's Plan for it, will from that time forward seem logical and orderly to your mind.

9. Are you still living as the only focal point of an Earth-centered universe? It's time for you to stop making this Earth the center of it all!

Could a Christ-in Revolution change your mind-set. . . and establish instead the reality of a God-centered Universe?

You can move away from humanism if you so desire, move on to a higher level where you worship the True God, the Creator of our Universe. Do you really believe that Man is the center of all things... the measure of all things? God is the One Who will ultimately measure and evaluate the deeds of every human being!

You need to put the Sun of Heaven inside your heart. Jesus Christ is "the Sun of Righteousness," and through His Holy Spirit, He can put some of His righteousness inside you. More importantly, God credits the follower of Jesus Christ with the Holiness and Righteousness of His Son. You need to place Him on the throne of your heart, declaring Him to be "the Sun King" of your life!

10. The brilliant light of Jesus Christ can give you an **"internal guidance system"** for your heart. . . and *this will provide orderly direction for the "planetary system" of your personal worldview.*

When you put Jesus on a throne in your heart, He provides a warm "sun" for that great void in your internal universe, and it will then burn continuously to dispel all the darkness/ coldness that would exist there without His presence. *After that, you will have a logical "solar system" for all the interactive elements of your life.*

11. Those souls who are not to be spared on this basis (those who have rejected God's words, His truth, His light, and His sacrifice) will suffer eternal separation from God. They will be cast instead into what Jesus calls "the Outer Darkness." They will be forced to endure an eternal separation from God and God's final achievement— *the recreated Paradise that will then be revealed as His ultimate objective.*

This will be a NEW EARTH produced by God **for all those persons whom He has rescued (or harvested)** from the present world. God will populate it with those He has chosen through His millennia-long DEVELOPMENTAL PROGRAM of **DIVINE SELECTION.**

12. **This is God's final goal— His objective is to produce an entirely different world, a new and totally restructured world that will be vastly superior to this present world of distress and disorder, of countless evils and sin-produced chaos.**

It is certain that the NEW EARTH will be immensely more pleasant than this present one, which will eventually be rejected and replaced!

A scheme of **DIVINE SELECTION** through a **LONG-RANGE**, millennia-spanning **DEVELOPMENTAL PROGRAM** becomes evident.

This calls for a **MAJOR SHIFT IN THE WORLD-VIEW** that is held by any individual.

It truly requires a **COPERNICAN REVOLUTION IN THE MIND-SET** of a human being.

You must comprehend with an entirely new way of looking at the Universe— for to be among the redeemed, to be among the survivors who are granted eternal life with God, you must place **JESUS CHRIST AT THE CENTER OF YOUR UNIVERSE**, in the very place where once *YOUR OWN EGO* had ruled supreme!

You gain Eternal Life with God when you put the Sun of Heaven inside your heart. You can do this by placing Jesus Christ, **Who in the Trinity of God created our Universe**, upon a throne at the center of your heart! *He deserves that position and that kind of respect.* He was first **God The Son**, but when born in human flesh He became the only sinless and righteous person who ever lived. Yet He sacrificed Himself on a cross for your sake, taking all guilt and sins upon Himself— for you and for me, and for all people everywhere— **so that whoever wishes for salvation might be rescued from the due punishment of sins.**

If you will do this, you will gain a new contentment and peace as you accept God's organizational plan for the Universe. . . because you'll be letting God be the Ruler of All Things in this world. . . and in your own life.

The Sun of Heaven will then reign in your life as the supreme Power that governs all things. The Bible calls Jesus Christ both “the Sun of Heaven” and “the Sun of Righteousness.” When you place Christ in your heart, He will lead you to a new life of righteousness. The Holy Spirit will start to rebuild you in the image of God, making you more like Jesus. You'll become a brother (or sister) to Jesus Christ!

All it really takes is a simple but sincere little prayer one that you should make up in your own words. The prayer for deliverance and for God's leadership should come from your own heart!

Some important elements that you might include are:

1) your desire to turn away from the wrongness or evil of your past life, and your remorse over the sins of your previous life,

2) your desire for God's forgiveness and mercy through the act of sacrifice of His Only Begotten Son (Jesus Christ),

3) your desire to know God's leadership in your life,

4) your desire to learn more of God's truth through Bible study,

5) your desire to find fellowship with genuine believers.

After accepting forgiveness through Jesus Christ, you must sincerely seek to turn away from evil, to the best of your ability; and you must further seek to gain knowledge of God's will through a diligent study of the Holy Scriptures of the Bible. Also, you must not neglect to maintain a fellowship and communication with God through the device of daily prayer.

Jesus said of the people of God that "The kingdom of heaven is like a **net** that God has cast into the sea, and it gathers of every kind: When it is full, it will be pulled up on the shore, where they will sit down to sort the catch, and they will **collect the good fish in baskets, but the bad things will be thrown away. This is the way it will be at the end of the world:** The angels shall come forth, and they will **separate** the unrighteous persons from among those justified by God. . ."

Excerpt from the Book of Matthew, who was a constant companion of Jesus and his devoted disciple [13:47-50].

It's also important for all of us to remember this:

1) **WE SPEAK TO GOD** by our prayers.

2) **GOD SPEAKS TO US** by the words of Holy Scripture.

So we must try to read His words and His Book just as often as we possibly can!!

God wants to bless you for all your long efforts to understand this very confusing and difficult Universe in which we live— so let Him reward your search with the grace of His forgiveness and enlightenment!

A brilliant light-source should be at the center of your thought-system . . . for an orderly direction of all the elements of your worldview. . .

THIS GUIDE WAS WRITTEN FOR YOU BY. . .

Ken Street, a baptized follower of the Way.

God is continuously harvesting the Earth. . . as His long-range plan for the Earth's transformation goes ever forward. . .
