*The Biblical scheme of
Earth's history and direction ...
a long-range plan by which God
will transform and re-populate
the planet Earth ...*

*It's a vision of vast scope
and mind-boggling predictions ...*

God's developmental
plan for our Universe
is an astounding
program of
transformations!

1. A theme of **WARFARE** runs through the many books of the Bible, from Genesis to Revelation. We see evidence of angelic warfare, of historic military warfare between God's chosen people and the ungodly nations.

There are predictions of further warfare between the elect of Christ and the anti-Christian forces, and of a final great battle of Armageddon.

SPIRITUAL WARFARE *devastates this planet until Christ's Kingdom comes !*

SPIRITUAL WARFARE
devastates this planet until
Christ's Kingdom comes !

2. A theme of **APOCALYPTIC DESTRUCTION** and **RE-CREATION** runs through the books of the Bible, from Genesis to Revelation. We see this in the Genesis record of Noah and the Great Flood, and in the predictions of the Old Testament prophets.

Jesus himself speaks of this in great detail as he is quoted in Mat. 24, Luke 17:24-37, and other places in the gospels. There are many such references in the epistles, and the final book, John's Revelation of Jesus Christ, is devoted almost exclusively to this subject.

3.

A theme of the **SURVIVAL OF A REMNANT** who are loyal to God runs through the many books of the Bible, from Genesis to Revelation.

4. Rather than the Darwinian concept of "natural selection" and "survival of the fittest" (*meaning the strongest*) in a scheme of evolution, God's system of development is quite different!

God's plan is that there will be "DIVINE ELECTION" of all those who have chosen to accept His system of grace and mercy through Jesus Christ, and His plan calls for a "SURVIVAL OF THE LOYAL" instead.

5.

In this scheme which God Himself has formulated, it is *not* the STRONGEST who survive, but rather the SUBMISSIVE!

(In this regard, it is certainly true that God can make the weak person become strong. But a person who is too strong and egotistical God may choose to crush, in order that he — or she — will be humbled and will become submissive to the will of God!)

6.

God is continuously harvesting the Earth as His ever-progressing plan of **DIVINE SELECTION** goes forward, through a wise and millennia-long program of evaluation—through interminable *testing* of people and a very lengthy developmental process of *SELECTING* and *REJECTING*.

7.

Thus, a theme of ***DIVINE SELECTION*** through a ***LONG-RANGE DEVELOPMENTAL PROGRAM*** becomes evident.

8.

This calls for a **MAJOR SHIFT IN THE WORLD-VIEW** that is held by any individual.

It truly requires a **COPERNICAN REVOLUTION IN THE MIND-SET** of a human being.

9.

You must comprehend with an entirely new way of looking at the universe — for to be among the redeemed, to be among the survivors who are granted eternal life, you must place **JESUS CHRIST AT THE CENTER OF YOUR UNIVERSE**, in the very place where once *YOUR OWN EGO* had ruled supreme!

10.

You can do this by placing Jesus Christ, **who in the Trinity of God created our Universe**, upon a throne at the center of your heart! *He deserves that position and that kind of respect.* He was first **God The Son**, but when born in human flesh he became the only sinless and righteous person who ever lived. Yet he sacrificed himself on a cross for your sake, taking all guilt and sins upon himself, in order that you and I — that all people — **that whoever wishes for salvation might be rescued from the due punishment of sins.**

11.

If you will do this, you will gain a new contentment and peace as you accept God's organizational plan for the Universe . . . because you'll be letting God be the Ruler of All Things in this world . . . and in your own life.

12. All it really takes is a simple but sincere little prayer — one that you should make up in your own words. The prayer for deliverance and for God's leadership should come from your own heart!

Some important elements that you might include are:

- 1) your desire to turn away from the wrongness or evil of your past life, and your remorse over the sins of your previous life,
- 2) your desire for God's forgiveness and mercy through the act of sacrifice of His Only Begotten Son (Jesus Christ),
- 3) your desire to know God's leadership in your life,
- 4) your desire to learn more of God's truth through Bible study,
- 5) your desire to find fellowship with genuine believers.

Jesus said of the people of God that "The kingdom of heaven is like a **net** that God has cast into the sea, and it gathers of every kind: When it is full, it will be pulled up on the shore, where they will sit down to sort the catch, and they will **collect the good fish in baskets, but the bad things will be thrown away. This is the way it will be at the end of the world: The angels shall come forth, and they will separate the unrighteous persons from among those justified by God . . .**"

Excerpt from the Book of Matthew, who was a constant companion of Jesus and his devoted disciple [13:47-50].

Jesus spoke of the people of God as being like a seed that is growing secretly, saying, "As for the kingdom of God, it is as if a person should cast seed into the ground; and then he sleeps, and he rises up night and day to see that the seed is springing forth and always growing up, although he knows not exactly how. The Earth is bringing forth fruit from itself; first the blade, then the ears of corn, and after that the fullness of the ears of corn. And when all the **fruit of the Earth** has come forth, immediately God will use the sickle to reap the fields, because the **harvest-time** has come."

Excerpt from the book of Mark [4:26-29].

It's also important for all of us to remember this:

1) **WE SPEAK TO GOD** by our prayers.

2) **GOD SPEAKS TO US** by the words of Holy Scripture.

So we must try to read His words and His Book just as often as we possibly can!!

God wants to bless you for all your long efforts to understand this very confusing and difficult Universe in which we live — so let Him reward your search with the grace of His forgiveness and enlightenment!

More challenging than Man's explorations on the planet Mars...

God's Earthward Journey.

God visited planet Earth when He walked upon our world in the human body of Jesus Christ.

God traveled to the Earth so that He could show us the route to Heaven.

His Light has lived among us.

A Letter From The Sponsor

In 1979, I spent two months in Nepal. During November, I did the Pokhara-Muktinath Trek with my travel-buddy, a Swiss adventurer named Werner Baumgartner. Later, in December, we would also do the Everest Trek together.

For the first trek, we hiked day after day — all day, every day — through the mountains of Nepal... until we finally reached our destination at Muktinath. There we saw the goal of this trek.. what was called "The Temple of Miraculous Fire." It was an old building which was situated on a mountaintop.

In many ways, it was a very inspirational trip, but the "miraculous fire" that we found in that temple was just a little bit disappointing. When the altar curtain was pulled back by a Buddhist monk, we were given a chance to see the miniature wonder contained inside this Nepalese temple.

We saw then what the Temple of Miraculous Fire was all about. There was a tiny stream of water coming up through the ground, and it made a miniature waterfall behind that curtain. But there was more to it than that. An endless supply of natural gas was also gushing out of the ground, and it was kept lighted by the monks... so there was a flame of fire floating over the waterfall, one that seemed to burn eternally. That was the miracle of this temple, and the Buddhist pilgrims who travel there are greatly impressed by this combination of fire, water, earth, and air... the four basic elements in their cosmogeny.

Imagine — a fire that floats on water — seemingly forever! Well, it is a rather unusual thing for a trekker to discover in this world, as you might guess.

Six months later, I came to the Pacific Island of Guam, where I would be living and working for the next five years. Soon after I got there, I became a genuine believer in Jesus Christ, and finally I became a diligent student of the Bible. My arrival on Guam brought me to a new comprehension. I understood that "miraculous fire" becomes a reality for a human being when God puts His Holy Spirit into a believer. This comes only through faith and a prayer to Jesus Christ. Then the human being becomes a temple for God's Holy Spirit. Amazing as it may sound, a mere human being is able to become a "Temple of Miraculous Fire." The fire of God's Holy Spirit will then burn in you eternally!

And what is more, Jesus Christ will also give you an endless supply of "living water," which will become in you a spring of Eternal Life.

The Christian believers of our Earth are all engaged in a great Journey to the East... the trek to a New Beginning and a New Earth. I hope you'll join us.

Our army is still growing, and we are looking for new recruits. That is a good thing, because it's what Jesus wants us to do. And as Rev. Richard Wurmbbrand has aptly stated in his book *Reaching Toward The Heights*: "If we become a larger party climbing together, we may succeed better."

I became a believer in 1980, right after I settled down for a while on the island of Guam. I didn't know it, but my Swiss pal Werner also became a believer in Christ during this same year, by an independent route.

I learned from his letters that Werner eventually studied theology at a Bible College in Switzerland. My old trekking buddy, the congenial baker from Switzerland, the pal with whom I had traveled so extensively during our globetrotting days... ended up becoming an evangelical pastor for the Reformed Free Church in Switzerland. He also became a missionary evangelist, working to this very day as a "church planter" in the more rural and unreached areas of his native country. He starts new churches there.

It's not surprising that we both became believers and followers of Jesus Christ. We traveled for many months inside a great many countries of this world, and we could both see how much this Earth is in need of God's Son.

I became a believer because Jesus Christ is our Gateway to the Truth of God. He is the Guardian of God's Absolutes, and He is the Announcer of God's Truth! When we see His face, we see the face of the Father in Heaven. When we hear His words, we hear the Truth about Heaven and Earth. The voice of Jesus Christ is the voice of God. Clothed in perfect righteousness and purity, He is eternally the Son of God.

The Devil has too many children already, but the Father in Heaven could use some more. If you become a child of God, you'll be proud to declare that you have become a member of His Family... and a brother to Jesus Christ!

In His Service,
Ken Street
